Luxury Perfumes

Zarfah

BRIGHT. FEMININE. UNFORGETTABLE.

A popular floral-fruity fragrance with a bright, juicy opening, a graceful floral heart and a soft, sensual base.

Zarfah is a radiant Fruity Floral fragrance that celebrates femininity, charm and confidence. A sparkling burst of juicy fruits opens the scent, leading to a heart of delicate florals and red berries, and settles into a warm, smooth and sensual musky base.

FOR WOMEN
